

Stat 850 Homework-10

Maksuda Aktar Toma

University of Nebraska Lincoln

27 October 2023

Introduction

Hello! This is Maksuda Toma. I'm from Bangladesh and I grew up in the southern part of the country. My birth date is on December 3rd, 1997 and I'm eagerly waiting for that day because I love to celebrate my birthday. Currently, I'm pursuing my Master's degree at University of Nebraska Lincoln. Probably I would graduate in next 2025.
